Song Story. This song started with a dorky little set of verses I wrote, without music yet:: There's Joy in the LORD ev'ry day, __ NOT / Monday thru Thursday Blues. God gifts us with His Grace each day __ NOT / Monday thru Thursday... Blues, _ for God's __ WITH you! _ _ _ _ _

But then my guitar practice sessions began to include a lot of blues.... So I got "into the swing", so to speak-- with God's Holy Spirit's inspiration! Songs written literally within a day each, including IRAQ'S KINGLY BLUES, and at the same studio recording session on 14 September 2015: JESUS SENT THEM FISHING. But when I began this song whose lyrics gave it the title "WEEKDAY BLUES"....

I researched on the internet and found that there already IS a song by that title. I confess: I got discouraged because I thought I had mis-understood God's guidance on this song.... after all, the two verses of lyrics were already set in type. So... I went to bed.... But the next day as soon as I thought of my "blues" about these song "blues", I realized: We AIN'T got blues when we trust Jesus as LORD because He keeps His promise to give us joy and peace.....So: Here is a HAPPY blues for ya. An oxymoron of conflicting words it seems...

But with God it's true: Like Romans 8 says-- For the very REASON that problems tend to give us blues, through them we see God offering us a way out of Blues!
