Song Story

I'd just been sadly praying in June 2013 about having so many really good sets of lyrics for future songs-- but no music that was interesting to go with them. I wrote this song, including music, in under an hour. I concluded it by writing in my story this prayer, again, literally to the LORD God: "I want what you want"

But somehow I did not re-find this song and record it for 2 full years.

I pray that it will be of comfort to people who might not have seen it 2 years ago: that the LORD will guide His musical word to reach wherever He wants. In love to Him. DDO.
