Greek: **angel** iafóros = MESSENGER FOR GOD.

To show that Jesus is NOT an angel, Jehovah God guided Paul to write in Hebrews 1: 13 - 14,
"But to which of the angels has He [God] ever said 'Sit at My right hand, till I make Your enemies
Your footstool?' <Psalm 110:1>

Are they not all MINISTERING SPIRITS sent forth to minister FOR those who will inherit salvation?"

God's FIRM WARNING to us through Colossians 2:18 > Don't worship angels. "Let no one
CHEAT you of your reward, taking delight in false humility and WORSHIP OF ANGELS,
intruding into those things which he has not seen [Romans 1], vainly puffed up by his fleshly mind."

God's FIRM WARNING to us through Hebrews 9:27 > NO HUMAN becomes an angel after death – despite all the fake stories in movies & on TV: "It is appointed to man to DIE ONCE, and THEN the judgment." Another false teaching is Reincarnation & all the occult shows claiming it's "Resurrection" where people come back to live more time of normal- human life on earth.

Song Story. It took 5 years of praying for wisdom on how to handle the topic of this song in a way that clearly says we are *not* actual angels, but do share The LORD's messages as angels do. :) In 2011, I awoke in the middle of the night unable to sleep. So I pulled out my journal and wrote out the main parts of "I WILL FEAR NO EVIL" which I recorded soon after. And then I wrote out the words and music for "**Be God's Angel**," which I re-titled that afternoon to **Be LIKE**... to ensure avoiding anyone reaching that common mis-teaching that humans become angels after we die. (Humans are an entirely different breed... like horses & eagles are entirely different in Creator's great Creation.) This was 14 March 2011, just hours after the great earthquake & tsunami that created such sorrow in Japan, a few short weeks since the world's attention had been captured by transitions in the powerful nation of Egypt.

My prayer (that God invites all to pray) has for a long time been Ephesians 3:20-21 & John 14: 12-26, that God's Holy Spirit would use me efficiently far beyond my natural capabilities and opportunities for His pleasure. These and other world events led me to again praying intensely for more efficiency... these songs are not 'of DianaDee' but of our Lord through me, beyond me, I am convinced. Knowing my many weaknesses and how often insufficient organization has sorrowed me to be unable to serve God well..... and yet, these actually are cause for rejoicing ---- I can't be prideful knowing the songs are from God! 2nd Corinthians 12:9. John 10:25 Jesus said,

"The works that I do in My Father's name, **they bear witness of Me.**" May these songs developed in God's Name bear witness only of Him, of Jesus, for God's joy and for His humans.
