## LYRICS.

### VERSE 1

Be still, my soul: the Lord is on thy side. Bear patiently the cross of grief or pain.  
 Leave to thy God to order and provide, who through all changes faithful will remain.  
 Be still, my soul: thy best, thy heavenly Friend through thorny ways leads to a joyful end.

### VERSE 2

Be still, my soul: thy God doth undertake to guide the future surely as the past.  
 Thy hope, thy confidence let nothing shake; all now mysterious shall be bright at last. BE  
 still, my soul: the waves & winds still know His voice who ruled them while He dwelt below.

## **VERSE 3**

Be still, my soul: the hour is hastening on  
when we shall be forever with the Lord;  
    when disappointment, grief, and fear are gone,  
    sorrow forgot, love's purest joys restored.  
Be still, my soul: when change and tears are past  
all safe and blessed we shall meet at last.
