Song Story. Song inspired by the obvious.... a day when I eagerly awoke looking forward to accomplishing a lot... and by late afternoon, I was tired & discouraged because I hadn't gotten much done... and by bedtime I realized I'd done only 2 things on the list. Two important things, but it was still a bit daunting. I felt rather like a failure.... And like the quoted James 1:5 promise of God says – God gave me wisdom to realize that many other people feel the same... And then He gave me the ideas for this song to, I pray, encourage your heart. Just talk to your Heavenly Father ho dearly loves you, and He'll lift your heart to realize **it's OK when you haven't finished your “to do” list...** Especially if you spent some of that time giving **Him** your full attention, instead of focusing on your “*Best of Intentions.*”
