“Thus says the LORD: 'What injustice have your fathers found in **Me**, that they have gone far from Me, have followed idols?.. Has a nation changed its gods, which are not gods?... Be astonished, O heavens, at this, and **be horribly afraid; be very desolate,' says the LORD.** 'For My people have committed two evils: They have forsaken Me, the Fountain of living waters, and hewn themselves cisterns – broken cisterns that can hold no water.’” - Jeremiah 2: 5, 11a, 12-13 NKJV....
a Warning from God to people & His Churches today.

Song Story. Written in great sadness as I see the downward spiral of my beloved church denomination that I grew up in, served at state level, and finally left because leaders are increasingly choosing “socially acceptable” over what God's scriptures say about specific sins. And with deep sadness for my country. Jeremiah 22 holds a 'THUS SAYS THE LORD' that should "scare the Bajeebies Out of" America, as Grandma would've said (whatever Bajeebies are!) ----- After 400 years of this nation's leaders approving Bible principles, God could **Rightly** say the **same** about America one day as He says of Israel – who soon after Jeremiah's warnings & writings DID suffer God's WRATH-- as promised (verses 8-9): “Nations will ask each other, 'Why has the LORD done so to this great city?' The Answer will be, **because they have forsaken their God.**”
