Song Story. Inspired by a Facebook comment made to a post question about people lambasting the person for her place in searching for God's Truth. After I replied "Psalm 25: 5-10 etc, James 1:5's promise: Anyone who truly yearns for, truly seeks for Truth will receive it from YHWH... gift of discernment, guidance to scriptures.... Keep praying even while hearing others' ideas - a journal helping you remember "discoveries" of God's Treasures along your way helps -- gives you something to go back to & study/ pray about more." ... **I fully expected someone to lambast ME for not having said _ or _ or _** That happens a lot on Facebook groups that share ideas about God. **No one did: YET waiting for someone to do so**, reminded me of comments I've often also shared **with a few people criticizing me for not saying _ or _ or _ or _ ALSO in a song:** "You can't give all God's Messages in a 5 minute song or a 20 minute sermon." **And there was Verse 1, ready to be written out!**
