**"Trust in the LORD (YHWH) with all your heart, & do not lean on your own understanding.
In ALL your ways acknowledge Him, and He SHALL make straight your paths."
-- Proverbs 3: 5-6 NKJV**

VERSE 1 When I am scared, I will call to God.
He hears my thoughts, and comes to my side.
When I am scared, I will say what scares me.
God will **NOT** laugh! He **LOVES** and helps me!
Jesus loves me – this I KNOW!
When I am scared, God will help me know what I should do, & where I should go.

CHORUS
Proverbs 3: 5 & 6, God helps me see what I should do, and say. God gives me peace.
When I feel scared, God helps me to think of His PROMISES – He WILL comfort me!
Second Timothy 1: 7, Peace – God will give me, for He dearly loves me.
When I feel scared, Jesus gives me peace. He **KEEPS** promises! He WILL comfort me!
..... Jesus loves me – this I KNOW!

VERSE 2 When I am scared, Jesus WILL help me. God's
Son hears my thoughts, with love, comes to me.
When I am scared, He knows what scares me.
Jesus will **NOT** laugh! He'll help me to see.....
Jesus loves me – this I KNOW!
.... people He gave, I can **TRUST** to help me:
parents, friends, teachers who **CARE** about me. >> **CHORUS**

Song Story. I sketched out the words to Verse 1 with the concept for Verse 2 while on the gym's elliptical machine one day in 2017. Ten months later, on a day when I felt very low, I came across the page... and felt that God was guiding me to finish the song... to give me peace, and to help children find TRUE PEACE..... For unlike Jesus – we often forget that even little children are often afraid... and often afraid of being embarrassed and laughed at if they tell anyone. Just as... I admit.... I am feeling as I type this. Along with AMAZED Joy that we NEED to teach children! THAT: **God NEVER mocks our fears. And like any loving Father, He is PLEASED when we trust Him enough to ask for help.**

YES: The lyrics are intentionally designed to ALSO teach children to go to a **HUMAN** they can trust when something is scaring them.... to teacher or friend, also (just in case it is a parent or step-parent who scares them), and even they are scared by an adult or other child at a place such as at a church or school.
