Song Story. I sketched out the words to Verse 1 with the concept for Verse 2 while on the gym's elliptical machine one day in 2017. Ten months later, on a day when I felt very low, I came across the page... and felt that God was guiding me to finish the song... to give me peace, and to help children find TRUE PEACE.....

For unlike Jesus – we often forget that even little children are often afraid... and often afraid of being embarrassed and laughed at if they tell anyone. Just as... I admit... I am feeling as I type this. Along with AMAZED Joy that we NEED to teach children! THAT: **God NEVER mocks our fears. And like any loving Father, He is PLEASED when we trust Him enough to ask for help.**

YES: The lyrics are intentionally designed to ALSO teach children to go to a HUMAN who they feel that they can trust when something is scaring them.... to teacher or friend, also (just in case it is a parent or step-parent who scares them), and even they are scared by an adult or other child at a place such as at a church or school.
