Song Story.

The lyrics to this sad song were written very quickly on 12 February 2014. The music that was "in my head" when I wrote it later seemed.... boring.... God's love and sacrifice is not boring.... The edited music I tried again with was..... boring..... God's gifts at the first Christmas and ever since are not boring.... The try-again music that I came up with WAS good.... but not for this song. I used it for another song, and was back to praying every so much, LORD, YOU DESERVE *** FAR *** BETTER MUSIC than "Boring" -- Please help!!!

When you look at the lyrics....

I fully believe that the LORD did not give me this wonderful music until September partly to ILLUSTRATE the words of His song:

Without LORD God, anything we do for Him is.... boring..... broken.

Yet He still LOVES our gifts when we come to him with humble hearts....

choosing to break our self-centered pride..... coming as little children with open hands asking our Heavenly Abba Daddy ----

Please give me a gift that I can give BACK to You

that will bring You.... JOY that You so richly deserve, my beloved Father.
