## Song Story.

I'd been preaching to myself: I'm not a young chick anymore, so most likely won't have 25 or 40 years left in my life, so won't have to wait as long in the desert like Moses for God to finally show any of what I call progress, or for a Promise like Abraham awaiting a son thru Sarah s God had promised years earlier. I'd been preaching at myself to STOP COMPLAINING to God because I myself don't see many results for the ways I earnestly seek to serve Him.

After all: What we do for God is a gift to Him – and anyone knows that the recipient of a gift can do anything desired with it.... including to shelve it. Only when we start thinking we know more than God do we COMPLAIN at Him. This song is a reminder... Switch to PRAISING and we'll find God's Joy while we wait!
