1

It's easy to stand and cheer for the band that plays music we like. And we're thrilled to cheer the speakers we hear who teach what comforts and cheers us. BUT

God calls us Always to focus on Truth: His Bible Word, in Context and Full.

Worship time is not to "make us feel good".

Revere God and sorrow for sins.....

Revere God and sorrow for sins..... Revere God and sorrow for sins.....

2

It's easy to cheer church praises we hear, for God's prayers answers we LOVE. and we're thrilled to cheer successes we hear: People's problems overcome. BUT

God calls us Always to focus on Truth: His Bible Word, in Context and Full.

God is still there when we're confused why prayers weren't answered the way that we want.

Just Wait and give God all your Trust... Just Wait and give God all your Trust.

3

It's fun to be with your church fellowship who praises you for work you've done. And we love to BE the people we hear: "*Oh, you're such a great Christian!*" BUT

God calls us Always to focus on Truth: His Bible Word, in Context and Full.

People and Satan may cheer you to keep on doing what God does NOT want.

Your feelings of cheer can be wrong.....

**Your feelings of cheer can be *wrong*.**

**Song Story.** Verses 2 and 3 written in prayer in literally under 10 minutes... while fighting grief over some years-long ongoing problems that are meaningless "in the long run".
