Song Story. Written about 2 hours after I'd been fighting terror that I'd made a mistake that wiped out 2 years worth of song files-- some of which were backed up, but most would be hard or impossible to restore as they were. Mostly I was in a tailspin for “being so stupid”. But God helped me find what was wrong & fix it... and as 2nd Corinthians 1:4 promises, to use the COMFORT that He gave me to write this song and, perhaps, comfort you & others. Lyrics on the World Wide Web only 3 days later... Ephesians 3:20, God's empowering...
