“Only **fools** say in their hearts, *'There is no God.'* God looks down from heaven on the entire human race; he looks to see if anyone is truly wise, if anyone seeks God.”

-- Psalm 53: 1a and 2, *New Living Translation a Warning from God to you, too.*

PART 1

1

Existentialism is an old philosophy that some still like to call “truth” without Proof. It puzzles over all we've ever thought ---- asks if we really “Be”.

Existential thinking says, *“Nothing's really real.”* **WHY DO**

people prefer such thinking, and believe what's so depressing, but IGNORE nature they see That's the real puzzle.

2

Science & astronomy & math & physics & more show probable truths. It's puzzling how many smart people can get so confused by

existential thoughts that say, *“Nothing's really real.”* **ALTHOUGH**

EVIDENCE shows things exist, & mathematical evidence, plus microscopes & telescopes SHOULD open eyes to See.

3

Things of nature like health & events are changed so many times after prayers! It's puzzling how many smart people **don't** use statistics to

examine **evidence** that shows, *“Maybe God's really there!”* ... **LOGIC**

uses math to puzzle out if God exists by counting how many times beyond coincidence >> things CHANGE AFTER PRAYERS.

PART 2

4

Malachi 3: 10 >>> SIMPLE Science experiment:

Test if God exists: Respectful, just speak to the air,

pray for help to find all pieces of Life's Real Truth.

CHORUS

Why would people **WANT** to believe, *“Nothing's real.”* ???

That's the *real Existential Puzzle*.

Any-thing to **NOT** believe in God – Jehovah?? That's the *real Existential Puzzle*.

5

“Seek and you'll find Truth,” Jesus taught this great challenge.

Open your mind as Science *should*, look at Life's puzzle pieces. There's

NOTHING to fear when you're exploring, seeking REAL TRUTH. >> **CHORUS**
