REF: 37-063

**EZEKIEL 33:** 8 When I say to the wicked, 'O wicked man, you shall surely die!' **and you do not speak to warn** the wicked from his way, that wicked man shall die in his iniquity; but his blood I will require at your hand. 9 Nevertheless if you warn the wicked to turn from his way, and he does not turn from his way, he shall die in his iniquity; but you have delivered your soul.... 11 Say to them: 'As I live,' says the Lord GOD, **'I have no pleasure in the death of the wicked, but that the wicked turn from his way and live. Turn, turn from your evil ways!'**

Matthew 28's end: Jesus says to GO TELL His WORDS to all people. Matthew 24, He describes signs of His return & coming Judgment BUT NEVER tells us to speak more than His Words (description)....

**No false "prophecy" that "this or that" sign in the world means "God said/ did this."**

**Jesus Himself** scolded such false prophets of HIS day who were saying "FOR" God that God had punished 18 people who were killed by the falling tower of Siloam recently. Luke 13:4

*\*Verse 2: Old = Original Testament, still Truth although partly fulfilled by Jesus Messiah & by events like Israel again suddenly becoming a nation in 1948.*

**Song Story.** Two MAJOR hurricanes were predicted to hit landfall as Category 4 or 5 storms in 2018 on the southeast coast of the U.S. For both of these -- & a number of hurricanes in the past -- the storm churned off the coast until it reduced in strength to = tropical storm or barely Category 1 .... I'm CONVINCED that these UN-natural storm progressions were ANSWERS TO PRAYERS by God: Storms usually strengthen over water. PROBLEM: People were refusing to go to safety for these & other storms because in the past, (God had given Grace that) storms had reduced in power .... and the people SIMPLY DID NOT WANT to prepare...//... Weather Forecasters are NOT "false prophets" just because they're wrong sometimes... BUT MANY news outlets love to blast warnings constantly at people til people just tune them out.... And Christians who claim that every hurricane or earthquake or "whatever" is PROOF of God's Judgment and Soon-Coming are \*\*NOT\*\* teaching God's Words. God blasted Job's "friend" for claiming to speak for God (38:1-2, after Elihu's LONG speech) . GOD WILL do a LOT worse to False Prophets whose constant **OPINIONS** trumpeted as if words from God simply turn people away from listening to God's TRUE warnings.... as in Ezekiel 33.
