“Oh give thanks to the Lord, for He is good! For His mercy endures forever! Let the redeemed of the Lord say so.... Oh, that men would give thanks to the Lord for His goodness.... for He satisfies the longing soul and fills the hungry soul with goodness. Those who sat in darkness and in the shadow of death, bound in affliction and irons -- because they rebelled against the words of God and despised the counsel of the Most High.....

He saved them out of their distresses. He sent His word and healed them, and delivered them from their destructions. Oh, that men would give thanks to the Lord for His goodness....praise Him in the company of the elders.”
 -- Psalm 107, selected verses. New KJV

Note: These Piano chords are difficult for most guitarists; a separate lead sheet is available.

Song Story.

While checking my "Untitled Loops I Like" folder, I found this music piece I'd created and loved, but had not yet had a song concept for. As I played the loop, these worship words came to mind as a prayer. Selecting exact wording to fit the meter was a fun challenge. I had to keep the words as exciting as our Great God is!

The many studio tracks took a full day to develop... which is still a short enough time period by normal standards to add to the evidence that this is the Holy Spirit's guidance. I prayed for the right scriptures, and Psalm 107 (a long one) was one of the first few that I noticed in my search. So that's how FERVENT WORSHIP LOVE was written for your worship time, for churches to worship our Lord.... written in 8 hours.
