Song Story. Working out in the gym, the only non-news TV stations blasting from the walls in front of elliptical machines are on 2 of the 8 super-screens.... one weather channel, & one Fixer Upper Home Improvement channel. I was tired of watching all the scary predictions of the summer storm on its way to hitting us in a few days.... So I watched a badly neglected house be restored to be gorgeous.... And God brought to mind First Corinthians 3:18... His Promise that we do NOT have to become lovely as mansions in our lives-- because His Holy Spirit will HELP us to grow to reflect Him-- MORE AND MORE each day.
