Album: Amazing **Faith 'n' Freedom**
REF: 16-156; 17 Nov 2015 Chorus

“Now when people take an oath, they call on someone greater than themselves to hold them to it. And without any question that oath is binding. God also bound himself with an oath, so that those who received the promise could be **perfectly sure that He would never change his mind**. So God has given both his promise and his oath. These two things are unchangeable because it is impossible for God to lie. Therefore, we who have fled to him for refuge can have great **confidence** as we **hold to the hope** that lies before us. This hope is **a strong & TRUST-worthy anchor** for our souls. It leads us through the curtain into God’s inner sanctuary.”
Hebrews 6: 16-19 NLT

1

My tent ain't goin' nowhere unless an earthquake comes. I've learned from long experience:

REALLY HAMMER THOSE TENT STAKES DOWN! Those tiny little pegs that come in the box with that tent are a joke – at least in the windy, stormy **Tent Flying** places where I like to roam.

CHORUS

Anchor your self to GOD. Stake your Life to God's Word.
Weight your mind in ev'ry Corner to God's TRUTH Scriptures.
With God, your TENT Life will STAY strong, Secure, 'til your Mansion Day. When God calls you to Heav'n, Jesus says we will live in Mansions: See John 14!

2

The weather is perfect often when we pitch our tent. I've learned from long experience:

NICE WEATHER CAN QUICKLY CHANGE. While other people first go have some fun, I'm pounding those tent stakes down and when the windy stormy **Tent Flying** winds come, I'm safe in my tent home.

3

Tents are made to keep us safe for when **Tent Flying** Weather comes. But they can't if we PLAY and don't

FIRST HAMMER THOSE TENT STAKES DOWN! The same is true for faith in GOD: Don't play until life's storms come. Prepare by asking GOD for wisdom, then stake your heart on GOD's Word.

Song Story. This story has been a long time coming... but I've laughed at sight of camping site tents at a 2012 music festival flying during a storm because not weighed down for 4 years & couldn't forget it before finally writing music!
