dedicated to YHWH GOD, 27 May 2016  
Album: Amazing **GIVER 'n' Blessings**  
REF: 30-194

**YHWH God sings:** "The LORD your God in your midst, The Mighty One, will save; He will rejoice over you with gladness, He will quiet you with His love, He will rejoice over you with singing." -- Zephaniah 3:17 >>  
"Rinnah" singing (as in Isaiah 44:23).

**1**

God does NOT deserve “GRUMPY” .... God deserves our greatest praise!  
God does NOT deserve whining, or ccusations, or complaints.  
“All things work together for the good of each person who truly honors God.”  
But Romans 8:28's promise requires  
faith in Him – NOT Grumble-ing!

## CHORUS

God, forgive me when I start grumbling.  
LORD, help me to Stop grumbling!  
God, forgive me when I start complaining.

**2**

God does NOT deserve “Blaming” ... when we don't get prayer answers we want.  
It is evil to blame Holy God, for He loves us and He is Right-eous.  
Psalm 95, the LORD God is our Maker. He is grieved when we won't honor Him.  
In John 15, Jesus warns, obey Him if we  
want our LORD to call us His friend! >> **CHORUS**

**3**

God does NOT deserve “Faithless” FOR God gives us much evidence of Him,  
that God Cares and answers many prayers. God deserves Trust, and NOT out doubts!  
Fools think they are wiser than their Maker. God is ANGERED when we Call Him a LIAR,  
which is what we do when we Doubt God's Bible Word!  
God shows Mercy! He deserves Thanks and Praise. >> **CHORUS**

**4**

You are not worthy of Blessings, YET God gives them, because He's Loving!  
You do NOT deserve Salvation. YET God offers Jesus as your Savior.  
All who call to the LORD and honor Him BY His Son's Name will be saved from Hell.  
But Romans 10:9 is NOT magic words:  
requires YEARNING to obey what He says! >> **CHORUS**

**Song Story.** I posted the Song Story on Facebook the same morning that I wrote the song:  
May 31, 2016 9:59am Took about 8 minutes to write 3 verses of lyrics for a song about how we  
complain so much to God. Praising God for His inspiration!.... and apologizing because the first  
verse's words came straight out of me catching myself complaining to Him this morning :( ...  
May we keep growing in Honor to Him as well as trust! <My post got a lot of LIKES! >
