Song Story. I “had a song in my head” and went downstairs to my home studio to record it before I left for the river beach where I go to pray before 8:30 church services. I don't usually get on the system on Sundays... So I knelt to pray as the programs loaded... and the words of Verse 1 were my prayer. And I saw it was in rhythm to God's “song in my head.” And I prayed “WOW, God!” Finished melody & chord touch-ups beside the river.
