Album: Amazing Power 'n' Prayers

“Be exalted, O LORD, in Your own strength! We will sing and praise Your power.”

-- Psalm 12: 13 New King James Version

“Concerning this thing I pleaded with the Lord three times that it might depart from me. And He said to me, “My grace is sufficient for you, for My strength is made perfect in weakness.”

Therefore most gladly I will rather boast in my infirmities, that the power of Christ may rest upon me....” - 2 Corinthians 12: 8 and 9

1

You, God, have created a 100 shades of green. To
You, our great Creator, I ask this humbly: Please
give me Your new music in SUCH variety that

all who hear it see this fact:

It's YOU, God --- not me, who made this music.

Help me play this music for God's great glory, in God's
strength __ power __ love. It's YOU, God, not me, using this
music to teach Your love and Truth and to **WORSHIP** YOU.

2

You, God, have created a trillion shades of sound. To
You, our great Creator, I ask this humbly: Please
give me skills for music, empowered, LORD, by Thee, so

all who hear it see this fact:

It's YOU, God --- not me, who made this music.

Help me play this music for God's great glory, in God's
strength __ power __ love. It's YOU, God, not me, using this
music to teach Your love and Truth and to **WORSHIP** YOU.

3

You, God have created uncounted ways to praise! To
You, our great Creator, I sing my love always! Please
guide my words to sing Your Word,

all who hear it see this fact:

It's YOU, God --- not me, who made this music.

Help me SING this music for God's great glory, in God's
strength __ power __ love. It's YOU, God, not me, using this
music to teach Your love and Truth and to **WORSHIP** YOU.

Song Story. Verse 1 was written in the prayer closet: a prayer.

Verse 2, while waiting for church band practice, sitting outside on the hot sidewalk with my guitar.... Six weeks after we completed the basic tracks at Studio 2, I was praying “Holy Spirit, I've made Your song SO boring... please help!” IMHO* , He did. It surely was not me, because I SURE had no idea how to improve this “basic” style praise song! (In My Humble Opinion... :)
