Album: Amazing LORD 'n' Logic

REF: 32-228

The Pharisees had to hire **FALSE** witnesses to claim Jesus & disciples like Stephen were teaching people to REPLACE GOD'S LAW with something else-- Grace.

LOGIC: Jesus did NOT say that, or they wouldn't need FALSE witnesses!

Acts 6: 10 - 14

“And they were not able to resist the wisdom and the Spirit by which [Stephen] spoke. Then they secretly induced men to **say**, “We have heard him speak blasphemous words against Moses and God.” And they stirred up the people, the elders, and the scribes;... They also set up false witnesses who said, “This man does not cease to speak blasphemous words **against** this holy place and the Law; for we have heard him say that this Jesus of Nazareth will destroy this place **and change the customs which Moses delivered to us.**”

<Paul said “May it not be!” about sinning because we have Grace if we ask: The Law DEFINES sin. It MUST exist to tell us what God's WILL is! Remember “Thy Will Be Done” in The LORD's Prayer? Romans 6: 12, 7:7... Romans 8 = Grace goes With the Law that defined Sin; it didn't end.>
