Song Story: The Music. This was one of the songs that I wrote “in minutes” during 2 weeks of music festivals; there, during breaks, I wrote music using guitar for a number of inspirations from LORD God. So even though i had the basic melody and chords, it was not until I returned to my home studio that I developed the “flowing fountain” melody note progressions to reflect the words. I thought it was a pretty cool idea from God.... I enjoy patterns!

Song Story: The Lyrics.

Of course the song was built around the story of Jesus with the woman at the well (John 4). But because the word “satisfy” is a key word in the lyrics, I looked for that word in the Bible.... and I was SO excited to find the reference to the “ever-flowing spring” in Isaiah 58:11 that will “satisfy your soul” and make US like a spring of water ---- as we reflect our LORD Jesus, the Living water, as God says in the key verse for DiDoReflections music ministry: 2nd Corinthians 3:18, growing to Reflect Jesus, in His Spirit's empowering.
