### Song Story "On Top": THE LYRICS

As I watched a mother let her child be "perfectly bratty" in the grocery store, I empathized... Experience really helps in staying calm while channeling a child's frustrations and energies. I was watching other adults, too. It was easy to see that many had opinions about the event.

Suddenly I began thinking about Israel's history. See end of this Lyrics sheet. And that, to me, is such a "disconnect" to compare, that I, still, truly think these songs are ideas from the Holy Spirit's inspiration and NOT any of my "great wisdom". After all... comparing the MARK of Esau to God's protection of Israel? Way more intriguing concept than within my intelligence level. (see end of this file)

SO the child's tantrum led to this song: Absolutely NO one in that store except the mother had any right to discipline or even touch this child -- even trying to help -- to guide this child to do what we called "behaving".

**And if anyone had done so, the mother would have had an absolute right to loudly declare "Hand's off my child!"**

Dedicated to God the FATHER of Israel and all who call Him Lord and Abba Father

## LYRICS

### 1A

Strangers have no rights \_\_ to  
punish \_\_ others' \_\_ children. \_\_  
Fathers, mothers only \_ choose who

Strangers who do NOT back off \_ in-

This everyday \_ parable is  
NOT \_ hard \_ to understand. \_\_

### 1B

**"Hands off my child!"** \_\_ people say, \_  
rightly \_\_ to strangers. \_\_  
"If he needs it, I'll punish him. \_  
But You keep your distance. \_\_  
I won't let you touch my child un-  
less I give permission. \_ I  
**care enough to give you warning: \_**  
**Hands off \_\_ my children!"** \_ \_ \_

 This everyday \_ parable shouldn't

## 2B

"Hands off My children!" \_\_ God says, \_

## CHORUS - twice

Ezekiel thirty-six and thirty-seven show Ezekiel 36  
 God has marked Israel as His own. \_

 Through Ezekiel and Genesis 4, \_  
 "You'll die trying" is what God warns to  
 all \_ nations \_ who threaten Father  
 God's \_ beloved \_\_ children. \_ \_ \_

## God's SUPPORTING WORDS:

Compare the MARK of Esau to God's protection of Israel:  
 Genesis 4:14-15, Esau says "I shall be a fugitive and a vagabond on the earth, and it  
 will happen that anyone who finds me will kill me." And the LORD said to him,  
 "Therefore, whoever kills Cain, vengeance shall be taken on him sevenfold." And the  
 LORD set a mark on Cain, lest anyone finding him should kill him."

Consider these parallels related to song ***HANDS OFF MY CHILDREN!***

1. Israel was a fugitive and a vagabond on earth. That is –  
Until May 14, 1948, a specific DAY, when God fulfilled His prophecy Q to prove His power in Isaiah 66:8, **"Shall a nation be born at once?"**

2. History shows good things happen to nations that do not hurt the Jewish peoples, who even help them. But bad things eventually happen to those who attacked Israel or just watch.... though God sometimes uses nations (like for Assyrian & Babylonian exiles) to punish his children Nation until they return to obeying Him. Still. God's Example warning... To EDOM in Ezekial 35. Look at the nations that have harrassed and burdened Israel – for a long while, if not still true, their Glory disappeared:

EGYPT prospered while kind to the Jews during Joseph's time there. EGYPT'S glory that included great buildings and pyramids ended after they killed Jewish babies and enslaved in cruelty.

BABYLON did enslave Judah (two tribes), but by God using the country to punish His children for not obeying. Cyrus the Great prospered, for he did not seek Israel's harm.

SPAIN was great in the 1400s... but began failing after the Spanish Inquisition of 1492.

GERMANY was a growing industrial country... until the 20th century harrassment and then mass murders of Jews.

AMERICA was a place where Jews were allowed to prosper. And America has... so far.

## **God warns all countries as He warned Edom in Ezekiel 35:**

"Because you have had an ancient hatred, **and have shed the blood of the children of Israel** by the power of the sword at the time of their calamity, when their iniquity came to an end [that is, they RETURN to obeying God], therefore, as I live," says the Lord GOD, "I will prepare you for blood, and blood shall pursue you; since you have not hated blood, therefore blood shall pursue you."

Note that God's warnings and subsequent actions can frequently be traced to either

(1) previous harm caused by the recipient, or (2) a form of Idol worship like Baal worship that threw infants and children upon the altar, or immorally hurt women. Thus God is often wrongly called violent... There's no other way to stop evil violent people.
