Song Story. Lyrics: Written on the lawn at a retreat house where I serve as musician, on what I figured was probably one of the last warm, pretty days before winter. I ws rather down, was considering my own aging & birthday... and God gifted these encouraging lyrics to me! Music: Yet another example of how the Holy Spirit guided me to "just experiment" and within a few tries find different sounds & loops that perfectly fit the feel of His Bible Word... in Music:)
