**1**

I love You \_ more than my human words can say.  
To speak love \_ as I want, I'd  
need Your Holy Spirit dictionary!  
God, give me Your words to PRAY!  
You deserve more than I can every say!  
Romans 8: 26 -- Help me to pray!

**2**

I PRAISE You \_ more than my human words can say.  
To praise You as I want, I'd  
need Your Holy Spirit dictionary!  
God, give me Your words to PRAISE!  
You deserve more than I can every say!  
Romans 8: 26 -- Help me to pray!

**3**

I worship You more than my human words can say.  
To worship as You deserve, I'd  
need Your Holy Spirit dictionary!  
God, give me Your words to PRAY!  
You deserve more than I can every say!

**Song Story.**

When I "retired" as library director to raise my children, John Hunter made the following inscription in the dictionary that the Library Board gave to me:

***"There aren't enough words in this book to speak all our thanks to you."***

I always thought that was cool.

I've often remembered it when trying to tell God "Thank You."

We truly need His Holy Spirit to pray our thanks to Him -- Romans 8:26!
