1-end **SPOKEN**: "Hebrews 13:5". Then read scriptures during A minor riffs interlude.

"He Himself has said, "I will never leave you nor forsake you."

2-end **SPOKEN**: "Deuteronomy 31: 6 & 8". *"Be strong and of good courage, do not fear nor be afraid of them; for the LORD your God, He is the One who goes with you. He will not leave you nor forsake you."*

3-end **SPOKEN**: "John 14:1-3". *"Let not your heart be troubled; you believe in God, believe also in Me. In My Father's house are many mansions;fn if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also."*

Song Story. I flipped on the TV one day when tired, AND it "just happened" that the station was changed to one I don't usually watch, AND it "just happened" that the movie playing was "The Autobiography of Miss Jean Pitman", AND it "just happened" the the movie was playing at a specific point almost at the end.... AND it "just happened" that the first three words I heard were---- the first three words of this song. Spoken by a man who had just determinedly spoken God's Truth at a river service, though he had been warned by the haters to not speak out... to stop preaching..... SO often, songs of the LORD that He has guided me to write had lyrics that had been inspired by words I "just happened" to hear at the right moment for me to hear them... and HIM telling me how to use them.
