Isaiah 3: 8-11 NLT. “For Jerusalem will stumble, and Judah will fall, **because** they speak out against the LORD and refuse to obey Him. They provoke him to his face. The very look on their faces gives them away. **They display their sin like the people of Sodom and don’t even try to hide it. They are doomed!** They have brought destruction upon themselves. Tell the godly that all will be well for them... But the wicked are doomed, for they will get exactly what they deserve.”

## Song Story.

I am very thankful that our LORD God-Named-Yahweh (the Name He tells to us, such as in Isaiah 42:8 and Exodus 3:14-15, YHWH which is translated as LORD in many Bibles)... thankful that YHWH has \*honored\* me with the ministry of crafting HIS words of HIS Bible into music form to HELP PEOPLE both remember God's Words and remember WHERE they are... Chapter and verse....

But I must admit: It is \*SO\* weepingly sad to write music with the lyrics of most of God's words through the prophets... like Isaiah 3. So sad that of ALL that our Holy God has done FOR us, we people still treat Him so badly... bragging about how "God is Love" and often not even trying to hide our sins, expecting "instant forgiveness" without grieving for what we do to HIS heart, hurting Him.....
