 REF: PS-052

Jewish rabbi interpretation says Isaiah 53 is about the nation of Israel, as in 3 other songs about suffering that would apply to Israel – Not an individual person NOT Israel as a whole, as verses 3-6 clearly are (Us vs Him). But this 4th song is about the prophesied anointed Davidic king who will appear when Gentiles will repent. And the big Question is: Why do rabbis seem to Hide these verses instead of teach them to ALL people, to let them pray for wisdom from God to understand if this = prophecy of Messiah? Hiding Messiah?

**Song Story.** Written after learning that the section of Prophet Isaiah's writings that we've divided into calling Chapter 53 is a section that is omitted from readings in synagogues... even though Chapters around it are not.... Very long, complicated lyrics, which it took 5 years before God guided me to return to my journal notes & simplify into this song. Ephesians 3:20, ONLY by God's power.
