Ref: 9-032

“Leeway to choose which route to take to go.” Synonyms:
freedom, scope, latitude, space, room, liberty, flexibility, license, free hand, free rein.

VERSE 1

Don't fence me OUT, and don't fence me IN. If
I want to do “IT”, THEN DON'T call it “sin”!

** I ** shall decide what's “out” or what's “in”! In my
LIFE, I WILL decide what is Wrong or Right. This is my
Life, so stay OUT of my Way!

CHORUS

These are the words we often quote at God, never
seeing He YEARNS to give us Abundant Life. Jesus
Promised in John 10: 10.
These Deadly words, God LETS us tell Him, and He
leaves us: LEEWAY to pick Satan's deadly way, Jesus
warned through John 10: 10.

VERSE 2

Don't pin me DOWN, and don't hold me UP. If
I want to do “IT”, THEN call Freedom “love”.

** I ** shall decide what's “down” or what's “up”! In my
LIFE, I WILL decide what is Wrong or Right. This is my
Life, so stay OUT of my Way! >> **CHORUS**

VERSE 3

Don't leave me OUT, in case I want IN. If
I want to do “IT”, THEN say I am FREE!

** I ** shall decide what's “FUN” or what's NOT! In my
LIFE, I WILL decide what is Wrong or Right. This is my
Life, so stay OUT of my Way! >> **CHORUS**

**Exodus 3:14-15, Isaiah 42:8, God tells us His Name is YHWH (“yah-way”).*

Song Story. While thinking about how dogs are trained to use Invisible Fencing where they learn where they can go freely and cannot go without pain, I started thinking of how God-Named-YHWH (Isaiah 42:8, Exodus 3:14-15) gave His commandments as our “safe yard” where He protects us. Then I started to think of “out” and “in” phrases that led to this song... and the humor of us trying to order God around with our selfish perspectives.
