Album: Amazing Joy 'n' Choices

RAGTIME or **\*\*LOOSE SHUFFLE TIMING\*\***

*This song is about ANY kind of sin that we claim is not a sin because we're "made that way." Don't limit it to the obvious. It includes*

- \* **GOSSIP.** *This sin is so common that people don't recognize it even in church.*
- \* **Laziness and gluttony** *that we blame on weariness and slow metabolism.*
- \* **ANGER** *that we blame on our "human nature."*

*Whenever you see God's command against anything, you must see the **LOGIC** -- Almighty God is too smart to blame you for doing something you can't help. God will never tell you to have brown eyes instead of blue. But our actions.... these are our choices. YES --human nature can make choices harder. And Jesus said Satan is real and out to get you to sin. But God promises HELP in First Corinthians 10:13.*

*"Let him who thinks he stands take heed lest he fall. No temptation has overtaken you that is not common to man. God is FAITHFUL, who will NOT allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it. -- First Corinthians 10:12-13*

**Song Story.** As soon as my knees hit the prayer closet pillow this morning (yes I'm a wimp... I use a thick pad!), the lyrics to verse #1 AND a melody line came to me. As I prayed, I had to deliberately choose to tell God that I wasn't going to rush through prayer to record the music and words before I forgot them. You see, my memory is not at all very good.... that's why I fill a 200-page journal with song notes every 6 to 8 weeks.... because if I don't write it, I'll quickly forget it, whatever "it" may be. I reminded myself as I spoke this to God, that if I forgot the music by the time I got to my studio, then it obviously was not from His Holy Spirit anyway. Told Him I did NOT want to record the song, no matter how wonderful people might one day think it was, if it wasn't something God would remind me of.
