Album: Amazing **Father 'n' Time** Ref: 32-172

VERSE 1

*“My thoughts are TRUTH. I've chosen the RULER. It confirms I'm Right. Don't say otherwise.” **People say:***

“ God gives freedom to believe WHAT ... we want. So keep your opinion to yourself: You're wrong! ”

CHORUS

God Yahweh is His Name clearly says:

HE is LORD. HE measures what's Right or Wrong.

NO MATTER WHAT RULER people follow, calling “Right”.

Through Matthew 23: 37, Jesus clearly says:

humans reject God... God GRIEVES but won't change TRUTH,

NO MATTER WHAT RULER people follow, calling “Right”.

VERSE 2

*“My ruler's right. Don't quote facts at me that conflict with my Right to know you're dumb, and I'm wise.” **People say:***

“ God gives freedom to believe WHAT ... we want. So keep your opinion to yourself: You're wrong! ”

CHORUS

God Yahweh is His Name clearly says:

HE is LORD. HE measures what's Right or Wrong.

NO MATTER WHAT RULER people follow, calling “Right”.

Through Matthew 23: 37, Jesus clearly says:

humans reject God... God GRIEVES but won't change TRUTH,

NO MATTER WHAT RULER people follow, calling “Right”.

Song Story Idea came by a combo of 2 things: **(1)** Watching the inauguration after an election process full of people declaring all sorts of things as facts without clear evidences (on ALL opinions sides) and on the morning (awaiting the Swearing in), **(2)** I came across my Oct 14, 2016 Facebook post >> Romans 13:1, John 19:11, Daniel 2:21 (... GOD removes or sets up kings); Acts 13:22 re Saul & David; Psalm 75:6-7 (God brings one down, exalts another); Daniel 4:17 (He gives kingdoms to whomever He wishes)... BUT God ALSO allows Free Will in other instances... e.g. the LORD's sad lament in Hosea 8:4, “They set up kings, but not by Me; They made princes, but I did not acknowledge them.”... Some people **WRONGLY** use Proverbs 8:15 (“By Me kings reign...”) to say this... BUT that's out of context. The speaker in this poetic word is "Wisdom".

As God's inspired **end of Romans 1** says: All His Creation can give our minds Leaps to Remember God: **IF we don't reject His evidences all around us... Just because God DOES** give us freedom to **reject** Truth (Matthew 23:37) does **NOT** mean we can **CHANGE** Truth:

Jesus wept over all who rejected God's RULER measurement of Truth.
