SONG-STORY summary (see LYRICS SHEET or MUSIC SHEET for full story)

This song is NOT about US. It is about how we hurt our GOD, sometimes even using His name....in First Timothy 6:4, the church fellowship was already being warned about church members who were, --- quote,

"proud, knowing nothing, but is obsessed with disputes and arguments over words, from which come envy, strife, reviling, evil suspicions." God is surely sorrow-filled when His people are like this....The final sentence of this song holds an important key: We must fervently pray for God's HELP so that Church will NOT hurt anyone – especially including our God Himself.
