God, thru 2nd Timothy 4: 2 Preach the word! Be ready in season **and out of season**. Convince, rebuke, exhort, with all long-suffering and teaching. 3 For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers; 4 and they will turn their ears away from the truth, and be turned aside to fables.

5 But **you be watchful** in all things, endure afflictions,

do the work of an evangelist, FULFILL YOUR MINISTRY."

Acts 20: 30-31. "Also from among yourselves men will rise up, **speaking perverse things**, to draw away the disciples after themselves. Therefore watch, and remember that for three years I did not cease to warn everyone night and day with tears."

“The masses **demand that which will soothe them in their sins and amuse them** while they journey down the Broad Road!” “Thousands acknowledge they are sinners, who have never mourned over the fact.” – Arthur W. Pink, 1886-1952.

Song Story. I verify songs with research before posting even Drafts. When I looked up this song's title key words on the Internet, The first pages of Finds were filled with websites for adult toys, websites full of excuses for enjoying sins, and the oddest of all: Description of a **ROBOT** to which people can “confess” their sins. The robot will “listen” to their stories and is programmed to respond with a “soothing” voice. Just more evidence: We live in a world full of people who REFUSE to accept that there is a *HOLY* LORD of ALL who demands we stop comforting ourselves in our urges to do what YHWH God has clearly declared as evil & un-right-eous.
