Song Story. Often as I am praying, I find that my words are falling into a song pattern. Obviously this is by the Holy Spirit's giftings... inspiring me.... And often I pray at my laptop computer typing the words into music setup format – for lyrics only – as I pray. Apparently that is what I did 4-1/2 years before I found this song setup in my FUTURE folder on the computer.... during a time when this was very much 1 of my most fervent prayers, at the top of my “desires list”, **that I bring our Great LORD much joy.**

And thus I finished off the pattern & filled in a few more words....

Enabled by the Holy Spirit, per His **Ephesians 3:20** empowering, to ALSO be organized enough to have come up with the ideas of how to KEEP song ideas –

– even if years pass before I finish them for Him, For His Glory – verse 21. :)
