Psalm 147: 3 - 7

*"The LORD, He heals the broken hearted, and binds up their wounds. He counts the number of the stars. **He calls them all by name.** Great is our Lord and mighty in power. His understanding is infinite. The LORD lifts up the humble.... Sing to the LORD with thanksgiving."*

1

You are an account number to a business.
You are a patient number in a doctor's office.
While in school, you're a student number.
While at work, an employee number.
Sure they know your name – sorta – but say they **need your number.**

2

You are a license number to the D.M.V.
You are a member number to gyms and libraries.
To the post office, a box number,
or a number for a street. A
LOT number if you have a house, and someday a
PLOT number for cemetery. They can't find you **without your number.**

3

You are a social security number to the Government.
You are a service number if in the military.
BUT YOU ARE to ALL who LOVE you, a
NAME, a Beloved NAME, NOT a number, and
GOD loves you, calls you by your NAME:
"Come, let Me give you PEACE... Give Me your burden – I'll give you PEACE."

READING 1. After Verse 3:

"Come to Me, all ye who labor and are heavy-laden, and I will give you rest."
-- Jesus in Matthew 11:28.... a PROMISE from The Son of God to YOU too.

CHORUS - A

God knows the name of trillions of stars. Knows the name and CARES for each - see Psalm 147..... Stars are NUMBERLESS to the Creator: God.

Psalm 139..... God knew YOUR name before your birth – you're WORTH

SO MUCH to Him..... **You are NOT a Number to God!**

CHORUS - B

God knows the name of billions of people. Knows the name and CARES for each – see Psalm 147..... YOU are NUMBER- LESS to the Creator: God.

People label you by numbers, Age, your dollars – your NET Worth.

Rejoice in The LORD! **You are NOT a Number to God!**

READING 2. After first time of CHORUS :

The **BOOK OF NUMBERS**, gets its name from the CENSUS results at beginning & end of book-- but unlike our modern version, the book is so long because it lists the NAMES of family heads. God's Bible / Torah gives ONLY the **summary**: The actual census results were indeed a list of more names than we see... **names of individuals age 20 & up in what we call their genealogies – NOT just a bunch of counted numbers.**

CHORUS - A

God knows the name of trillions of stars. Knows the name and CARES for each - see Psalm 147..... Stars are NUMBERLESS to the Creator: God.

Psalm 139..... God knew YOUR name before your birth – you're WORTH

SO MUCH to Him..... **You are NOT a Number to God!**

CHORUS - B

God knows the name of billions of people. Knows the name and CARES for each – see Psalm 147..... YOU are NUMBER- LESS to the Creator: God.

People label you by numbers, Age, your dollars – your NET Worth.

Rejoice in The LORD! **You are NOT a Number to God!**

READING 3. After 2nd CHORUS: Isaiah 49:13, 15-16. “Sing, O heavens! Be joyful, O earth! And break out in singing, O mountains! For the LORD has comforted His people, And will have mercy on His afflicted... [saying] “Can a woman forget her nursing child, And not have compassion on the son of her womb? Surely they may forget, **Yet I will not forget you.** See, I have inscribed you on the palms of My hands; Your walls are continually before Me.”

=====

Song Story. Psalm 147 was an “aha” moment for me at the beginning of the DiDoReflections Music Ministry – wondering why in the middle of a Psalm, God inspired the Psalmist to suddenly interrupt himself amid a sweet song about God helping the broken hearted to write “*He counts the number of the stars. He calls them all by name.*” ... **WOW:** Unlike in our modern world, **we are NOT just a number to YHWH** (Exodus 3:14), **God The Creator.**
