Song Story (written in 2014; 1,000s are being killed for their faith across this earth). In general, the Church – especially the church in America – should be ASHAMED at how little prayer is done for persecuted churches. Not just overseas. We're supposed to pray for one another... but 99% of churches pray only for sick people (which IS important!), but not for anything or anyone else with any fervency. Even protection from Satan for that church, much less persecuted churches. LORD GIVE US WISDOM on HOW to pray - as You promised through Romans 8:26... when we ask, The Holy Spirit WILL help us know what to pray, will pray the right words for us in HIS Way! INSPIRATION: A guest pastor from Russia. Aoexey Ledyaez, came to my American church and asked, through an interpreter, "Do we see the slipping walls churches and WEEP, grieved? Do we pray, fast, **BEG God for strength [Zechariah 4:6]** and work hard despite the mocking or physical danger? **Or do we just sit at a keyboard and complain?**"
