Album: Amazing HOPE 'n' HUMOR

Ref 29-022

God warns: If you won't love Porcupine People, you don't really love HIM:

We are not to FEAR them but to LOVE them. First John 4: 18 on:

“There is no fear in love; but Perfect Love casts out fear, because fear involves torment. But he who fears has NOT been made perfect in love. We love Him [GOD] because HE first loved US.

If someone says, “I love God,” and hates his brother, he is a liar; for he who does not love his brother whom he HAS seen, how can he love God whom he has NOT seen?

[VERSE 21:] And this COMMANDMENT we have from Him:

that he who loves God must love his brother also.”

PART 1 Pronounce “porcupine” the Southern way of “por-key-pine” throughout song!)

NOTE: This song was written after I realized what God's Word in **Genesis 9:2**,

“And the fear of you and the dread of you shall be on every beast of the earth, on every bird of the air, on all that move *on* the earth, and on all the fish of the sea.” > Because God gave permission for humans to eat animals, birds fish, He gave all those – *including porcupines* – an instinct to FEAR humans.... for their own protection. There's no reason for us to **NOT** love any creatures who act in fear toward us: **Even unloveable People**. Forgive or be NOT forgiven by God.
