**Song Story.** MUSIC: In Hebrew, the pictograph (ancient letter form) of NUN = a fish. Therefore I designed flitting fast movements of the chorus melody, like a tiny fish swimming fast back and forth. LYRICS: Formatted into a song meter in about 15 minutes on the gym elliptical machine. I made a few changes as I typed... to include the scripture reference more often for this short, simple song.... But I noticed: The Holy Spirit led me to form the words in a way that like a poem, lines ended in logical rhyming words or the usual pseudo rhymes of songs that most songwriters struggle to find. As always: This song was quickly guided by our LORD God per His Ephesians 3:20 empowering... not my skills.
