Song Story. I love to work out puzzles... until they get too far beyond my capabilities! Then I shelve them and go do something else. Many people have the same concept about the Bible -- they look at 66 books and say "**The Bible is too confusing.**" Especially when they see bits of prophecy of Jesus here and there, in tiny little books like Nahum & Micah. Yet this is ALL THE MORE EXCITING -- the **fact that the pieces all FIT and start showing a pattern** shows that NO committee of humans 'made up' all the prophecies about Jesus! Like a jigsaw puzzle, as you start seeing how the pieces form a pattern, you see more & more of God's design. Like Psalm 146... how many of us have noticed that it describes our Trinity God's characteristics?!

.... AND: James 1:5, God will give us wisdom – when we ask.
