Album: Amazing Psalms 'n' Promises

### God to you through the Psalmist.... Psalm 20: 6-7

"Now I know that the LORD saves His anointed; He will answer him from His holy heaven with the saving strength of His right hand. Some trust in chariots, and some in horses [*in RICHES and POWER*] **BUT WE will remember the Name of the LORD our God!**"

#### **PART 1 - Joyful** *with intro and interludes*

1

May the LORD answer you in troubles. May the Name of God defend you! May God send help from His sanctuary and strengthen you out of Zion! [*short interlude*]

2

May God remember all your offerings and accept your sacrifices. May He grant your prayers, your heart's desires, and fulfill all of your purpose!

### **3 AFTER FULL INTERLUDE**

We rejoice in the LORD's Salvation. And declare God's Name in our life! May the LORD fulfill these prayers -- as He guided in Psalm 20's Benediction.

#### **PART 2 - quieter at first, then building**

4

The LORD saves His anointed -- those who love God's righteousness! God through Psalm 45, verse 7 tells us who He anoints [*His req't for anointing*] God answers His anointed from heaven --- Psalm 20, verse 6- - who love Him, Psalm 20's promise.

With God's right hand HE will give you SAVING STRENGTH -- IF you love Him.

5

Some trust wealth. Some trust power. BUT WE trust God's Holy Name! They will fall but we who trust the LORD shall rise ----- IN HIS NAME! [*a prophecy!*] God will save His anointed from heaven --- Psalm 20, verse 6 -- who love Him, Psalm 20's promise.

With God's right hand HE will give you SAVING STRENGTH -- IF you love Him.

**Song Story.** This was really pretty cool. God's song. As I was going downstairs to create the music files for Part 2 of *FAILURE WAITING PRAYER*, for which I'd written the music while waiting for church that day, I realized there was a "melody in my head". I decided to record it quickly, and did so under the title "Untitled in F July 2013". (Got a few others:) But then I pulled out my Bible to glance at the early psalms... I'm seeking to serve God "filling in" those I haven't yet recorded. 4-1/4 hours later, I had completed this song.. music & lyrics. And prayed, "Wow, God, this is **SOMETHING!**" Oh -- And I finished the other song's files before going to bed. Ephesians 3:20 again, God's empowering... Which is **ALSO** Psalm 20!
