HALLELUJAH: This is a compound word. 1st half: The Hebrew word **Halla!** is a COMMAND (imperative) FOR ALL people (plural) verb. 2nd half: YAH is God's Name, shown in Exodus 3:14; Latin used the letter J instead of Y (for example, Jehovah is a Latinized word for same name YHWH in Exodus 3:14). BUT "hallelujah" means MORE than simply "praise Yah". **Halle!** means a JOYOUS praise in song, to BOAST in God (= "EL"). *Psalm 34:2, "The humble shall hear of it and be glad."*

* Exodus 3:14, The LORD God tells us His Name is YHWH, often spelled out as Yahweh, and usually pronounced "YAW-WAY". It is Hebrew for "I AM".... "I AM, Exist, Who I AM".

Song Story.

I was watching a fussy baby in her mother's house, so I didn't have my usual music resources for helping to calm a baby... First I started singing some old hymns, and she drifted to sleep. But the words were interfering with me writing out another song draft (“Lawlessness Brings Death”).... So I just started humming anything, no special pattern.

Suddenly I realized that my “humming anything” was a rather pretty melody.

The baby's older sister had a toy keyboard right there in the living room.

I turned it on and recorded the information about the notes I chose on a loose sheet of paper. Baby was still asleep, so I flipped in the Psalms looking for something that would fit... and immediately God guided me to Psalm 21.

When I got home, I typed up all the words... and recorded the first tracks in my home studio on the THIRD DAY. God's empowering. Ephesians 3:20. For His Glory Only: 3:21. I hope to really from my heart sing this to LORD YHWH in person one day!
