### To VINDICATE:

*To clear (someone) of blame or suspicion. TO acquit, clear, absolve, exonerate; discharge the accusation, liberate, free. TO show or prove to be right, reasonable, or justified. TO verify, confirm, corroborate, prove, defend, support.*

**THAT** is what **YHWH LORD God** does for all who **HONOR Him**.

**MORE than "take revenge". Restores you after false accusations** by

those who honor **Satan, the Father of Lies, Accuser:** see John 8:44 and

Revelation 12:10, "**who accuses [us] day & night before our God.**"

**Song Story.** Written 2 months after leaving a place I'd loved, where gossip had been allowed to flourish for several years, after much prayer showed that no, my reputation would not be vindicated there 'anytime soon'!... Sadly left where I'd served God for years... deep grief even after 9 years of prayers for vindication.
