PSALM 4 (Music on Page 2):

(New King James Version)

To the Chief Musician. With stringed instruments. A Psalm of David. Hear me when I call, O God of my righteousness! You have relieved me in my distress; Have mercy on me, and hear my prayer.

How long, O you sons of men, Will you turn my glory to shame? How long will you love worthlessness And seek falsehood? Selah

But know that the LORD has set apart for Himself him who is godly; The LORD will hear when I call to Him. Be angry, and do not sin. Meditate within your heart on your bed, and be still. Selah. Offer the sacrifices of righteousness, And put your trust in the LORD.

There are many who say, "Who will show us any good?" LORD, lift up the light of Your countenance upon us. You have put gladness in my heart, More than in the season that their grain and wine increased.

I will both lie down in peace & sleep; **For You alone, O LORD, make me dwell in safety.**

Song Story: The short answer to how I wrote this song: I don't know.

I sat at the controller keyboard in my home studio and just started playing "anything" as flute music, seeking an Asian style. I'm not sure how close I came to that goal! But then I kept layering in the quiet background track notes -- "Solo Star" and "Droplets". Then the "droplets" track name gave me the idea to add some rain. I love to sleep with rain outside the window, so it fit the concept of Psalm 4 as "Sleeping." Then I added some orchestration..... BUT it is NOT the story's End: God provided a 2nd song, for Psalm 4!

I somehow goofed when pasting in tracks for the melody for verses 3 to 5. I didn't realize this until I got to studio the day after I wrote the song. So while my producer mixed the song "*Indolent Christians*," I pulled out my guitar, calculated the chords, and practiced this song in the other room. As soon as he finished, we recorded my guitar... **on my travel guitar that I keep in my vehicle**, since I hadn't planned to record & didn't bring my good guitar. Then we recorded my singing, I played my bass sliding that I love so much, and Claxton added some chimes.... For a more quiet version of God's Psalm 4, perhaps written similarly to David's music on his harp in a meadow while the sheep listened....
