Album: Amazing Psalms 'n' Promises

-- Psalm 53: 1a and 2, New Living Translation a Warning from God to you, too.

1

SPOKEN: Psalm 53:1a. "The fool has said in his heart, 'There is no God.' "

(slow) Only fools say... in their hearts, "There's no God..... I'm too smart to think some God sees me."

2

SPOKEN: Psalm 53:1b. "There is NONE who does good."

(slow) God looks down to see who seeks Him. Not one does.
All have turned away from God. All do evil things.

3

SPOKEN: Psalm 53:2, "God looks down from heaven on the ENTIRE human race to see if anyone is truly wise, truly seeks God."

(fast) Terror will _ grip these people ---- FEAR like they've never known.
Evil people die forever, God rejects them, ev'ry one.....
promised He shall scatter their bones.....

4

SPOKEN: Psalm 53:3, God asks, "Will those who do evil NEVER learn?"

People become fools, believing just their simple, human minds.
Psalm 53 is God's warning, He shall judge these fools in time ---
all who thought themselves like God.

5

SPOKEN: Psalm 53 ends with the joy that God will protect His people from those who foolishly don't believe God even exists.

Verse 6, "Oh that the salvation of Israel would come out of Zion! When God brings back the captivity of His people, Let Jacob rejoice and Israel be glad."

Romans 11, and 15: verse 12 reminds us that Jesus comes from the root of Jesse, and God has GRAFTED into His people the Jews, all Gentiles who choose to believe in Christ Jesus as God's salvation promised in scriptures like Psalm 53.

God will come! God will come! God will restore His people. And they will shout with joy, and rejoice. God will protect His people!
Romans 15:12, God KEPT His promise to send salvation out of Jesse's root.
God gathers His scattered people, God HAS brought His salvation....
Jesus Christ, His Son..... Romans [chapters] 3 and 9.
God rescues the wise who seek God (echo: who seek The LORD)

Song Story. We should be mourning FOR God as we hear His sad word of verses 1-2.

This is Another song idea where I just sat and recorded the melody phrase in my head, and then started repeating it with different positions and instruments. This music amazes ME.... it is NOT "my skill." This isn't "my type of music." I never would have "thought up" this kind of music movement. With confidence I assert yet again: This is yet another evidence of God the Creator continuing to create.... eager to allow you and me... all who truly love and seek His Truth..... to be part of His Kingdom Building Program:)
