NO HOUSE BUILDS ITSELF:

“For this One has been counted worthy of more glory than Moses, inasmuch as He who built the house has more honor than the house.

For every house is built by someone, but He who built all things is God.”

Song Story.

Sadly, inspired by a little skunk whose body was along side a busy road. Their defense mechanisms knowing their SMELL chases away enemies is so effective, that skunks cannot figure out that moving cars are enemies to be avoided a different way.
