C-5 INTERLUDE

**Song Story.**

In about 20 minutes before I awoke on 11 January 2016 – the day these lyrics were written (2 days later, they were put on the World Wide Web), I had 6 very vivid, completely separate dreams that **all** fit each other: NOT “prophetic” but more of Symbolism, because all described our Lives--

from waiting for an elevator with many people (obvious symbol: Some people go up to God in Heaven, but others....) –

to a huge boa- size Poisonous snake wrapped around a person's chest and smiling at me as if to say,

***“I got THIS person wrapped in my killing grip... and you're next, ha ha!”***

...

I got up; in 1/2 hour did lyrics to this song & its companion,

***“SNAKE REPELLENT PRAYER”.***

*The LORD God's song. As always.*
