## Song Story.

In about 20 minutes before I awoke on 11 January 2016 – the day these lyrics were written (2 days later, they were put on the World Wide Web), I had 6 very vivid, completely separate dreams that **all** fit each other: NOT “prophetic” but more of Symbolism, because all described our Lives-- from waiting for an elevator with many people (obvious symbol: Some people go up to God in Heaven, but others....) – to a huge boa- size Poisonous snake wrapped around a person's chest and smiling at me as if to say,

**“I got THIS person wrapped in my killing grip... and you're next, ha ha!”** ...  
 I got up; in 1/2 hour did lyrics to this song & its companion, **“SMILING SNAKE DANGER”**.  
*The LORD God's song. As always.*
