**Song Story.** I'll be honest: I wrote these lyrics on a dark day, looking at walls full of pictures at my mother-in-law's house... I'd just found out that a spider bite was causing me serious heart problems.... I was wondering how many more pictures I could be in while in this lifetime... I was grieving anew over all the pictures of family members who had already died – some of whom I have no idea whether they accepted God's Truth...

**JOY is not the same as HAPPY.** We can be sad about how fast TIME has made little children grown up, has given happy couples opportunities to become angry and even break up, has changed the Mirror Image we see into a Stranger.

BUT GOD.... BUT GOD.... PROMISED More Joys to Come. #1: HE NEVER LIES!

**CHORUS:** First Peter 3:15, "... **always be ready to give a defense to everyone who asks you a reason for the HOPE that is in you...**" == "BUT GOD !!!!"
