Song Story. The title and verses 2 and 3 were written 5 days after I sketched out Verse 1. Some way, God's way, I started thinking about how God can stomp troubles like bugs... and then started thinking about all those nasty fuzzy bright yellow little SQUASH BUGS that my Mom used to make me pluck off her plants... yes, huge itchy squash plants... when I was age 7 to 9.... So I started laughing... and then plotting out these words. God's inspiration! Notice that the One God Named Yahweh (YHWH) *truly* cares about people... even those who do NOT honor Him.... and truly HELPS those who humble themselves to Him.
